STOP BLOOD DONOR SERVICE

With the cessation of hostilities, Plasma program is discontinued, the Mobile Units of the Blood Procurement Service are cancelled, the announcement made today by Walter E. Teasdale, chairman of the service for the Berkeley-Albany Red Cross.

The five West Coast centers, two which are located in the Bay Area cities of Oakland and San Francisco, will continue to collect "O" whole blood so long as it is a need for it to be flown to wounded still overseas.

Berkeley-Albany Chapter of the Red Cross has participated in the Blood Procurement program since 1922, 1942; and during this period of more than three years, has the medium through which the cities residents were privileged to contribute 19,709 pints of blood. The Blood Procurement Com-

mittee deeply appreciates the wholehearted cooperation given by those individuals," said Mrs. Teasdale, "by organized groups, and by the many men and women in uniform who made this additional voluntary contribution. Our expression of appreciation would not be complete unless it also included the many Red Cross volunteers who gave their services so cheerfully and efficiently during this time. To the press and the radio we are deeply indebted for their cooperation."

The First Congregational Church in Berkeley has been the regular center and most of the Unit visits have been held there. Field visits were made to the Veterans Memorial Building and the Community Church in Albany, and to the State Farm Insurance Company, the Farm Credit Building, Cutter Laboratories, and the Trinity Methodist Church in

Berkeley. In every instance, Mrs. Teasdale stated, wholehearted cooperation was given the service. The Blood Procurement Committee is grateful to all those who helped, in any capacity, to make the service a success, and to make the gift of blood plasma available to our fighting men. The committee is especially proud of the 415 Berkeley and Albany donors who are on the Gallon Club Honor Roll, and it rejoices that the need for continuance of this service no longer exists.

Preceding Mrs. Teasdale, others who contributed to the work as chairmen were Dr. George Stratton, Dr. Harry Borson and Dr. Mary I. Armstrong.

When we quit grumbling about everything that's wrong, we'll have more time to put things right.

Sgt. Smith Tells Committee of Peace-Time Plans

At a meeting, held Monday evening, of the Albany Civilian Defense Council, Director Police Sergeant Arthur Smith, said that the present organization can be converted into peace time activities.

An enthusiastic response was noted at this meeting when Sgt. Smith and those present agreed that "the training and coordination resulting from war unity should not be allowed to dissolve now that fear of enemy attack is past."

"A disaster which can affect an entire city is not restricted to a war period," Smith said, "and we were agreeably surprised to find that so many of our members were not only willing, but eager, to go forward with a disaster preparedness plan."

"However, we do want to work out a plan which will be 'workable.' It was decided, therefore, to study the State plan and to meet again on September 11 for the purpose of outlining our own conversion to city preparedness."

No changes in the present setup were made at last night's meeting except for the resignation of Sergeant Smith as property officer, the termination of this office to become effective September 15. On this date the large quantity of Civilian Defense property will again be under the authority of Albany's chief of police for disposal as directed by Federal authorities.

O. T. Stone, scoutmaster for Troop 45, requested the use of an auxiliary firehouse at Memorial Park. It was stated, however, that this building, as well as two others, of the five in Albany, had been promised to the Park and Recreation Department some time ago.

Ernest C. Blow of the Park and Zoning Commission, and Ed Howell, recreation department superintendent, will be contacted by Mr. Stone as to whether or not the location will be available to the scout troop.

Sergeant Smith had previously recommended that the War Council, when converted to a disaster preparedness group, be placed under the direct management of the police chief, the fire chief and the city health officer.

DOGS FOR SALE

Albany's Humane Officer Walter Asher announced this week that the local pound has for sale the following dogs:

One female German Shephard, two years old; one female Cocker Spaniel, two years old; two male fox-terriers, 8 months and 2 years old; one Toy Shepherd, 1 year old; one male brown dog, slightly larger than a fox terrier, 2 years old; one male hound, three years; one male Pointer, three years and one female Pointer, 18 months old.

Officer Asher may be contacted by calling LAndehape 5-7300 or at the City Pound which is located at the foot of Buchanan Street.

Religion is not a way of looking at certain things but a certain way of looking at all things.

REMEMBER — The annual Picnic of the Albany Women's and Men's Breakfast Clubs will be held at Memorial Park, 12 o'clock noon, September 16.

Community Chest To Start Campaign September 28th

Albany will join with Berkeley and Kensington in an area-wide campaign for 1946 Community Chest funds, which is scheduled to open on September 28 this year.

The drive in Albany will be conducted under the leadership of Oliver Nelson, with Elmer F. Coble, executive secretary of the YMCA, as chief aide.

Business district: George Bernard, chairman; city employees, Fire Chief Fred Pimental; schools, William Woolworth; Western Research Laboratories, Ray H. Nagel; residential, Mrs. Ralph S. Locke.

Organizations of the city will be solicited for support of the Chest drive by letter, according to a recent announcement.

Albany joined Berkeley and Kensington in the War Chest appeal in 1943 at the request of the National War Fund organization. Funds raised in the joint campaign finance not only the area's contribution to relief for victims of war, USO, and United Seamen's Service, but also the Community Chest agencies which serve Albany.

Albany has been a constituent part of the Community Chest since its organizations in Berkeley in 1923.

Col. Zuerner Receives Bronze Star Medal

Lt. Col. William E. Zuerner, a former Alameda County deputy sheriff, has been awarded the Bronze Star Medal, according to a release received from the Seventh Air Force headquarters in Okinawa. The award was made for meritorious achievement in connection with military activities against the Japanese from December 7, 1941 to June 14, 1945.

Colonel Zuerner was at Hickam Field on December 1, 1941, and has since served with the Army Air Force in the South Pacific Islands. He is a general staff officer and at present is with the Seventh Air Force on Okinawa.

The air officer, who is the son of Mr. and Mrs. William V. Zuerner of Albany, is a graduate of the University of California and the Command and General Staff School at Fort Leavenworth, Kansas. His wife, Velma, is at present residing in San Leandro.

Father Reilly Speaks

At the last Monday noon luncheon of the Albany Rotary Club members were treated to a talk by the Rev. William F. Reilly, who was presented by Chairman of the Day Joe Dagna, genial proprietor of Dagia's Market on Solano Avenue.

Father Reilly spoke to the Rotarians of work which is being done for the Deaf and Hard of Hearing.

Asks Red Cross Workers to 'Stay On the Job'

"Every Red Cross volunteer worker is urged to stay on the job for the enormous reconversion and rehabilitation program that lies ahead," said Dr. Laurance L. Cross, chairman of the Berkeley-Albany Chapter today.

"The Red Cross is a peace-time organization, and the final cessation of hostilities does not, in any sense, end its work. In fact, in many directions that work is increased and intensified."

"In the European Theatre, as in all the Pacific areas, Red Cross workers must remain with American troops until they are returned home. More than ever they will be needed to bring cheer to tired, homesick soldiers awaiting demobilization, and to untangle demoralizing personal and family problems. There are many cases of suffering and tragedy which have been caused by a world at war, and they cannot be suddenly erased by the final order to cease firing."

"On the homefront we face new and challenging problems in providing skilled assistance to returning veterans, both hospitalized and ambulatory. Our sick and wounded must continue to receive every possible assistance to make the difficult adjustment to combat injuries, and to their final return home."

"Large numbers of volunteer workers must still be brought into the Red Cross for the continuation of all our hospital services. We must forge ahead on our health, safety, and education programs. Here at home, abroad with our American armies of occupation, and with destitute civilian populations in the world, we must meet the challenge of fast changing needs during a period of readjustment."

"These are unfinished tasks which we have proudly begun and which we must proudly finish. Each Red Cross worker is urged to carry on his share with the same spirit and the same enthusiasm which for the past three and a half years have distinguished their work for the Red Cross. Now more than ever, that continued help is needed," Dr. Cross concluded.

SEPTEMBER 16 SET FOR LEGION PAPER PICK-UP

By WALTER HOLLAND

With the final endorsement of Albany Post No. 292 and assent of the Albany Salvage Committee, organization for the "biggest and most complete" Waste Paper Drive date has been set for September 16, according to Godfrey Hanson, general chairman of this drive.

On the suggestion of Walter Holland, the Post's delegate to the Veterans' Hospitals Christmas Committee, Inc., the proceeds from the sale of the paper will be turned over to the Hospitals Committee to help Albany's quota toward making a Merry Christmas for the boys who are in the Bay Area hospitals. According to information from the Christmas Committee the need for funds to make a Christmas that all these boys are entitled to (and more) is set at \$60,000 as a minimum amount.

Several months have past since the last Paper Drive, jointly sponsored by the Legion and the Bay View Aerie of Eagles, and it is expected that the September 16 pickup will surpass all previous records. Statistics show that the average amount of paper going into each home every month is around 100 pounds of which 80 pounds should be salvagable.

The committee, in releasing advance plans, hopes to make this record pick-up of paper "properly prepared" — bundled and tied securely. Newspaper and pulp paper magazines are in the same class while 'slick paper' magazines (Saturday Evening Post, Life, Colliers, etc.) should be bundled separately. Cord to tie the papers or magazines may be secured from the Albany Fire Department, San Pablo Avenue at Washington.

As help to pick up the paper is entirely voluntary, and there is only and patriotic organization in the city of Albany to participate in the as-one day to complete the job, the committee wishes to stress the need of tying the bundles securely—if workers must stop to tie bundles the delay sometimes causes no end of difficulty.

According to Hanson invitations will be sent to every civic, fraternal, club and picking up of the Waste Paper, September 16.

V.F.W. AUX. PLAN WHIST PARTY

A special meeting of the VFW Women's Auxiliary was held at the home of President Charity Wyrick, 1452 Portland Avenue, Monday, August 20, when 16 members gathered to discuss the coming Whist Party, to be held Saturday evening, August 25, at the Veterans Memorial Building.

Those present at this meeting also voted to hold a special Poppy Dinner, September 18, when turkey with all the trimmings will be served. After the meeting refreshments were served and those present were unanimous that President Wyrick is doing a splendid job and each and every member is 100 per cent for their president.

Parents who know each other down to the ground can build their home from the ground up.

Past Presidents of Legion Auxiliary Unit Meet

The Past Presidents of Albany Unit, No. 292, American Legion Auxiliary, will hold their bi-monthly social at the home of Mrs. Louise McClain of 656 Key Route Boulevard, on Friday evening, August 24. Mrs. Agnes High will be co-hostess.

Past presidents of the Unit are Marie Danielson, Martha Schiller, Rilla Moore, Orpha Tucker, Mildred Schutter, Marjorie Kane, Amelia Cook, Marjorie Kane, Josephine Foley, Anne Sartain, Agnes High, Louella Houser, Elhamac Olson, Rose Novell, Louise McClain and Edith Jones.

The Junior Past President, Edith Jones, will be initiated into the group, and games and refreshments will be enjoyed.

Motorists Warned to Keep Their Gas Ration Books

The Office of Price Administration said today that consumers shouldn't throw away their gasoline ration books and the green stamps in their food ration books. While no longer needed for buying gasoline, those A, B and C books still will be of help to motorists wanting tires.

A new system of tire rationing, based on occupational driving requirements rather than type of gasoline ration book held by the motorist, has gone into effect. However, retention of the old gasoline books will expedite the granting of tire purchase certificates since ration boards can use them in determining occupational needs.

As for the green stamps in ration book four, you had better hang on because these are the future meat rationing stamps. The green stamp originally was intended to replace the blue, which became obsolete when canned goods rationing ended.

No more ration books will be printed, OPA advised that airplane stamps for buying shoes also be wisely used until it is determined.

REMODELING

Albany residents will soon be invited to view the remodeling which is taking place at the popular Rose Shoppe on Solano Avenue. Mr. Rose has been "lending a hand" to this remodeling and states that he wants everyone to see accomplished results of planning a larger display window for their fine line of merchandise.

Besides their dress shop at 1111 Solano Avenue, Mr. and Mrs. Rose are also the proprietors of the Rose Shoppe at 405 San Pablo, El Cerrito.

Expresses Appreciation

Mrs. Winifred England of 638 Cornell Avenue, wishes to express her deep appreciation to friends and neighbors who were so kind during her recent bereavement when her husband, Albert England, suddenly passed away.

Mr. England is survived by his widow, Winifred, and two sons Pvt. I-C Albert H. England, who is in the Philippines, and Bernard F. England, who is at present in Albany. Mr. England was a native of England and was 66 years of age. He was a member of the East Bay Utilities District Association.

The funeral was held from the Drawing Room of the Ellis Company Mortuary last Friday. Committal services were private.

Mrs. England also expressed her appreciation to Mrs. Mae Ellis Olson whom she said "was so very kind in caring for many details which helped to lighten the shock of losing a beloved husband."

COMMUNITY CHURCH

Teen-agers Are Urged This Year to Go Back to School

A nationwide Back to School drive has been announced by the Children's Bureau of the U. S. Department of Labor and the U. S. Office of Education.

Cooperating school organizations are conducting campaigns to encourage school attendance and to discourage youths from leaving school for full-time employment. Direct appeals are being made to teen-agers who are employed in

summer jobs or who have been laid off from full-time jobs.

Statistics reveal that last year's high school enrollment was a million below its pre-war peak. In 1940 about 900,000 boys and girls between 14 and 17 were employed. In the spring of 1945 nearly 3,000,000 were employed, of whom half had dropped out of school entirely and the other half had employment in part time jobs. During the summer months almost 5,000,000 high school youths have been employed. These young people are being persuaded to give up their summer jobs and to return to school in the fall.

The War Manpower Commission has estimated that between V-E Day and December, 1945, some 3,700,000 workers will no longer be required in war activities. Adults will in most instances be able to take over the work done during the war by teen-agers, the commission says.

WE HAVE THE TIRES PROVED BY 3 BILLION MILES

How good are synthetic tires? Users' experience with B. F. Goodrich Silvertowns gives you the answer

Hundreds of thousands of B. F. Goodrich all-synthetic Silvertowns have been sold to essential drivers. By the most conservative estimate, these tires have already rolled over 3 billion miles.

Hundreds of these drivers have taken the trouble to write in and say what they think about all-synthetic Silvertowns. Complete satisfaction is expressed by most. Others are convinced that all-synthetic Silvertowns will give at least as good service as pre-war tires.

So, if you are eligible for new tires, see us at once. When our thorough inspection shows you can qualify, we'll fill out and handle your application for B. F. Goodrich Silvertowns—the tires of proven performance!

READ WHAT USERS SAY:

MUSTANG, OKLA.—I can gladly recommend Silvertown tires. Several have bought synthetic tires because I showed them mine. *J. C. Fromberger*

STANLEY, N. C.—I got over 36,000 miles on them. Still good.

EVID, OKLA.—Tread wear is practically imperceptible and does not show any cuts, tears, or bruised places. *C. K. Sims*

LANCASTER CO., PA.—I have driven my tires 40,000 miles. Surprisingly good tread. *Parke Bryson*

BURBANK, CAL.—Have run 31,000 miles on my set of Silvertowns over frozen ground and rocks—on chains for 4,000 miles. *Fred A. Kroll*

NEW ORLEANS, LA.—Performed as well as any natural rubber tire that I have ever owned. *R. J. Weber*

CONNEERSVILLE, IND.—I would prefer one of the good grade synthetics above anything that I have used. *Lawrence M. Bickler*

MARION, KY.—I drove two tires for about 30,000 miles. Front wheel became out of line and this caused one of tires to wear. Other tire still in use. *Ray Jennings*

FT. WAYNE, IND.—I have been a Silvertown user for 10 years. Your all-synthetic surpasses them all for wear. *Mrs. Grace Wirth*

Your Refrigerator is a Wartime Veteran and still going STRONG!

What a good, old, dependable trooper your mechanical refrigerator has been during these wartime years! It has done a good job for you. It has taken care of several tons of food for you and your family. It has saved you many gallons of gasoline by making frequent shopping trips unnecessary. And it has saved you ration points by keeping food left-overs good for another day and another meal.

If your refrigerator came to work for you before the war (and most home refrigerators are five years old or more) it has been refrigerating food and freezing ice cubes and desserts continuously for tens of thousands of service hours. Your refrigerator really deserves some kind of a wartime award doesn't it?

Why not do this? Keep your refrigerator cleaned up, especially the mechanism. Keep it dust free. Defrost regularly. Make it last through until the day comes when you can buy your new refrigerator and its post-war companion—the Home Freezer.

"Hello Everyone"

THIS IS FITZGERALD JR. back
 on the job again to serve you,
 at a different location. Have had
 a year's vacation: 2 months in the
 Merchant Marines, 7 months in a
 machine shop, and 1 month hunt-
 ing deer and trying to catch some
 fish (no luck at either).

NOW IF I CAN help you to find
 a home to buy, or to sell, call at
 once.

THIS IS THE BUY of the week:
 5-room stucco home in El Cer-
 rito on Lexington St. Furnished
 completely, 4 years old. Move
 in five days. Need I say
 more? If so, call me at LAnd-
 scape 5-8582, Solano Realty, 1484
 Solano Ave.

P.S.—I destroyed all my phone
 numbers and addresses so I don't
 know how to contact my old
 friends; do me a favor and call
 Landscape 5-8582.

FITZGERALD, JR.
 Keep your eyes on the Oaks,
 We may place yet.

Northbrae Auxiliary To Meet Aug. 28th
The Women's Auxiliary of Northbrae Community Church will hold its first meeting, since the summer recess, Tuesday, August 28, at 12:30 o'clock in the church parlor, Los Angeles at The Alameda. Presiding will be Mrs. M. M. Clement, president, assisted by Mrs. Laurance L. Cross, program secretary.
The luncheon, for which reservations must be made, is to be prepared by members of Circle E and will be served promptly at 12:30 o'clock.
One of the principal subjects of discussion will be preliminary arrangements for the annual Fall Bazaar, to be held this year in the latter part of October and for which all the Circles have been enthusiastically preparing all during the year.

RECUPERATING
Her many friends and customers have been asking this past week—"Where is Tanya?"
In answer to that the doctor said of this popular hostess-proprietor of the Chateau Tanya, "She must take a rest of at least one week—too many long hours and the sincerity of being 'the perfect hostess' takes a toll of one's energy—which must be built up again by rest."
In the meantime Rusty McDonald at the bar and Robert E. Lee, chef, are "filling in—in grand style" for the many people who find Chateau Tanya a regular meeting place.
